Home and School/SAC Principal's Report

Jan. 18, 2021

Via Zoom

Happenings:

- 1.) Foyer art-changed monthly based on Seven Sacred Teaching. Currently Truth by Mrs. MacFarlane's grade one-turtles made with stones
- 2.) PD week-re bullying. General consensus of staff was that there were no more issues with bullying than in previous years. Students having disagreements, based on being in cohorts and not being able to get away from each other and a lack of understanding of students and parents of what bullying is (long term, power, ongoing). Will refer to bullying when there is one issue of being mean. Will put a blurb in the next newsletter and do a refresher in classes. As well, will review how to be an ally, which is the Region's focus this year.

Upcoming:

- 1.) PD Feb. 16

2.) SAC-Budget

\$5100 HearBuilder-being paid by Student Services

Unable to guarantee delivery of tech by March 31

Proposal:

\$800-Mi'kmaq Treaty Education materials-smudge kit for each class, books and posters

\$1200-2 White board topped guided reading tables

\$3100-low level, guided reading and low level/high interest books. Very low on these kinds of books, and the ones we do have are getting older and are not as interesting to students as new, colourful ones.
